Dear Dr. Hashim:

As to the follow up to my July 29, 1993, letter and response to our the conversation, I am including a tentative list of speakers and topics for the upcoming subgroup meeting on Endothelial Cell Heterogeneity and Organ-Specificity at the ASCB meeting in December, 1993.

I would very much appreciate it if the Council for Tobacco Research could, as in the previous years, support this meeting and assist to defray in part the costs for the speakers.

I am looking forward to hearing from you in the near future.

Sincerely,

Peter I. Lelkes, Ph.D.
